

BECOME A BENEFACTOR OF *TOMORROWS VOICES*

Education is the future.

Giftng an education can be one of the most rewarding things we can do

The Trust is selecting exceptionally talented musicians from the Middle East to become a Tomorrows Voices scholar to be awarded a Masters scholarship at the prestigious Royal College of Music or the Royal Academy of Music

We will be supporting musicians who would not normally get the chance to further their careers due to war, economic crisis and displacement. Not only will we be developing role models who are empowered and will become changemakers and leaders for tomorrow's world, we will be bringing greater cultural diversity to the international music industry. **This is essential work for bringing peace, economic and cultural stability to the Middle East**
